LICENSE FOR FOREIGN FILING UNDER
Title 35, United States Code, Section 184
Title 37, Code of Federal Regulations, 5.11 & 5.15

GRANTED

The applicant has been granted a license under 35 U.S.C. 184, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" followed by a date appears on this form. Such licenses are issued in all applications where the conditions for issuance of a license have been met, regardless of whether or not a license may be required as set forth in 37 CFR 5.15. The scope and limitations of this license are set forth in 37 CFR 5.15(a) unless an earlier license has been issued under 37 CFR 5.15(b). The license is subject to revocation upon written notification. The date indicated is the effective date of the license, unless an earlier license of similar scope has been granted under 37 CFR 5.13 or 5.14.

This license is to be retained by the licensee and may be used at any time on or after the effective date thereof unless it is revoked. This license is automatically transferred to any related applications(s) filed under 36 CFR 1.53(d). This license is not retroactive.

The grant of a license does not in any way lessen the responsibility of a licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations especially with respect to certain countries, of other agencies, particularly the Office of Defense Trade Controls, Department of State (with respect to Arms, Munitions and Implements of War (22 CFR 121-128)); the Office of Export Administration, Department of Commerce (15 CFR 370.10 (j)); the Office of Foreign Assets Control, Department of Treasury (31 CFR Parts 500+) and the Department of Energy.

NOT GRANTED

No license under 35 U.S.C. 184 has been granted at this time, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" DOES NOT appear on this form. Applicant may still petition for a license under 37 CFR 5.12, if a license is desired before the expiration of 6 months from the filing date of the application. If 6 months has lapsed from the filing date of this application and the licensee has not received any indication of a secrecy order under 35 U.S.C. 181, the licensee may foreign file the application pursuant to 37 CFR 5.15(b).

PLEASE NOTE the following information about the Filing Receipt:

- The articles such as "a," "an" and "the" are not included as the first words in the title of an application. They are considered to be unnecessary to the understanding of the title.
- The words "new," "improved," "improvements in" or "relating to" are not included as first words in the title of an application because a patent application, by nature, is a new idea or improvement.
- The title may be truncated if it consists of more than 600 characters (letters and spaces combined).
- The docket number allows a maximum of 25 characters.
- If your application was submitted under 37 CFR 1.10, your filing date should be the "date in" found on the Express Mail label. If there is a discrepancy, you should submit a request for a corrected Filing Receipt along with a copy of the Express Mail label showing the "date in."
- The title is recorded in sentence case.

Any corrections that may need to be done to your Filing Receipt should be directed to:

Box Missing Parts
Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

This is filed in response to the Notice of Incomplete Reply (Nonprovisional) mailed November 16, 2000.

The Notice requires submission of the late filing fee or oath or declaration surcharge as set forth in 37 CFR 1.16(e). The fee was paid with a Letter mailed September 7, 2000. This was explained in a Letter mailed September 27, 2000 in response to the Notice to File Missing Parts. A copy of the Letter is enclosed herewith.

The Notice also states "The application was filed in a language other than English." Presumably, these means that applicant must file a translation of the application to English. The Notice to File Missing Parts included no such statement and did not require filing of the translation. (See, enclosed copy of Notice to File Missing Parts.)

ACCORDINGLY, ALL OF THE REQUIREMENTS OF THE NOTICE TO FILE MISSING PARTS HAVE BEEN MET.

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Assistant Commissioner for Patents, Washington, D.C. 20231 on the date indicated below.

A verified translation of the application is enclosed herewith. The fee for a Non English specification was paid when the application was filed.

Applicant's representative has telephoned the number on the Notice four times to inquire why the Notice was issued but has not yet received an explanation.

Because applicant timely responded to the Notice of Missing Parts, no fees are required. If necessary, however, please charge any fees to our Deposit Account No. 16-0820, our Order No. 32794US1.

If you still consider this reply to be incomplete, please telephone the undersigned to explain what is required.
